Premier houses, premier location... When you're a student looking for somewhere to live there are just three rules; location, location, location. In Loughborough, location means an area known as the Golden Triangle, it's seriously premier league - exactly halfway between University Campus and town centre - less than 10 minutes walk from each. All my houses are in the Golden Triangle - buzzing with student life - definitely the place to be.

Private landlord means I let my houses directly, rather than through a letting agent, so you get to deal with me, the person that owns the house. There is **no** signing fee and there is **no** deposit to pay. To confirm your reservation for a house I do ask you to sign a tenancy agreement.

Want a superbly comfortable home rather than just somewhere to live?
Be the envy of your friends. Don't miss out... book early for next year.
