Occupying the very best location in close proximity to both campus and town centre this is a rare opportunity to live in the most fantastic house. Refurbished to a very high standard, this traditionally constructed, bay-fronted, Victorian terraced house offers gas central heating and comprises on the ground floor: storm porch, entrance hall, large double-bedded study bedroom, living room, fully fitted kitchen with dining area. Staircase from the entrance hall leads to the first floor where there are three large double-bedded study bedrooms a bathroom with white suite comprising bath (with shower over), basin and loo and a further bathroom with white suite comprising shower, basin & loo. On the second floor a fifth, very large double-bedded study bedroom is accessed by its own staircase. Outside is a lockable bike storage shed and south facing, enclosed, zero maintenance garden with a pub style picnic bench. The house benefits from its own lockable alleyway, which provides added security and exclusive access to the rear of the house and garden.

Premier houses, premier location... When you're a student looking for somewhere to live there are just three rules; location, location, location. In Loughborough, location means an area known as the Golden Triangle, it's seriously premier league, exactly halfway between University Campus and town centre, less than 10 minutes walk from each.

Private landlord means I let my houses directly, rather than through a letting agent, so you get to deal with me, the person that owns the house. There is no application or tenancy fee. To confirm your reservation for a house I do ask you to sign a tenancy agreement and at the start of the tenancy there is a returnable security deposit of £250 per tenant to pay.
