Occupying an excellent position in the highly sought Golden Triangle area this is a rare opportunity to live in a very stylish house. Refurbished to a very high standard, this traditionally constructed Victorian terraced house offers gas central heating and comprises on the ground floor: double-bedded study bedroom, living room and an enlarged fully fitted kitchen, through to a further large double-bedded study bedroom and bathroom with three-piece suite in white comprising shower, basin and loo. On the first floor there are two large double-bedded study bedrooms and a bathroom with four-piece suite in white comprising bath, separate shower cubicle, basin and loo. On the second floor a fifth very large double-bedded study bedroom is accessed by its own staircase. Outside is a lockable shed for bike storage and enclosed, zero maintenance garden with a pub style picnic bench. The house benefits from its own lockable alleyway, which provides added security and exclusive access to the rear of the house and garden.

Premier houses, premier location... When you're a student looking for somewhere to live there are just three rules; location, location, location. In Loughborough, location means an area known as the Golden Triangle, it's seriously premier league, exactly halfway between University Campus and town centre, less than 10 minutes walk from each.

Private landlord means I let my houses directly, rather than through a letting agent, so you get to deal with me, the person that owns the house. There is no application or tenancy fee. To confirm your reservation for a house I do ask you to sign a tenancy agreement and at the start of the tenancy there is a returnable security deposit of £250 per tenant to pay.
